

INFORMATION, ADVICE & GUIDANCE

At enrolment speak to a member of staff about
how to access the following services:

For further information please get in touch

www.hfals.ac.uk alssinfo@lbhf.gov.uk 020 8753 3600

STUDENT SUPPORT

We have trained staff to help and advise you, including BSL signers

Making our buildings as accessible as possible and
moving classes to step-free access if required

Making information available in different formats and
providing specialist equipment or materials.

Having support staff in classes

Confidential discussion and advice in person, via the phone or email

Making sure class materials are accessible

Linking you with your tutor before you start

STUDY SUPPORT

For students who are enrolled on a course with us, we
offer drop-in sessions with an experienced
IT lecturer providing facilities such as:

Practicing your computer skills

Access to the computer for internet use, assignments and printing out your work

Researching information using websites and
discovering the material and resources available

Adapted equipment available

Please ask at reception for dates and details including times. Places are limited

For further information please get in touch
